

Dear Parents,

Thank you for volunteering to serve on our school committees this year. Your time and effort are truly appreciated and have certainly had a positive impact on our children. Plans are being made for next year and we are once again asking everyone to consider volunteering their time.

We admire the work of our current volunteers and also welcome new faces as volunteers and chairpersons for committees. Committees can operate with co-chairpersons who share the responsibilities of the committee; so please consider being a co-chairperson for a committee.

All volunteers must have a Criminal Record Clearance, Child Abuse Clearance and have attended the Safe Environment Course offered by the Archdiocese. If you have not attended the Safe Environment Course, please check online at [www.virtus.org](http://www.virtus.org) for the classes currently being offered. In addition, as of June 30, 2011, all volunteers must complete an online Information and Communication Technology addendum to the Safe Environment training as well as a Mandatory Reporter Training Session.

If you have any questions regarding the safe environment procedures, please contact the school office at 610-399-8400. We are very much in need of your services, but must have these clearances on file before we can place any name on a volunteer schedule.

The Volunteer Opportunities document has been posted on the school website. Please take the time to read the descriptions as some committees have changed. We will send these opportunities to you again in August via the School Reach when you have a better idea of your fall schedule.

Thank you again for your time and dedication to St. Maximilian Kolbe School.

Sincerely,

Ms. Anita Dixon  
Principal
