

Dear Parents,

Below is important information regarding immunizations, medical and dental requirements for each school year. **Please note any student entering into St. Maximilian Kolbe Parish School or transferring into St. Maximilian Kolbe Parish School must be in compliance with the Pennsylvania State school health mandates, the West Chester Area School District and St. Maximilian Kolbe Parish School health requirements.**

Pre School

All immunizations must be up to date. A physical examination report is required. All information must be submitted to the school nurse prior to the start of school.

Kindergarten

Immunizations must be up to date. An updated physical examination report must be submitted to the nurse by **April 30**. A dental examination report is required dated **after June 30 and submitted to the nurse by April 30**.

Third Grade

A dental examination report is required, dated **after June 30** and must be submitted to the nurse by **April 30**. A blank dental form can be found on the school web site on the **Nurse** tab on the gold menu bar.

Sixth Grade

An updated physical examination report is required and must be submitted to the nurse by **April 30**. **Please note:** Tdap and Meningitis vaccines are required for all Seventh grade students. It is recommended that because proof of having received both vaccinations must be provided to the nurse before students are permitted to enter school on the first day of their seventh grade school year, students should receive these immunizations during their sixth grade physical.

Seventh Grade

Tdap and Meningitis vaccinations are required in order to enter school on the first day. A dental examination report is required, dated **after June 30** and must be submitted to the school nurse **by April 30**. A blank dental form can be found on the school web site on the Nurse tab on the gold menu.

If you have any questions, please call the school nurse at 610-399-1422

Thank you,

The St. Maximilian Kolbe School Nurse
