

St. Maximilian Kolbe is proud to  
announce  
after school sessions for  
Engineering for Kids

**Session One:** for students in grades K,1,2

**Jr.Chemical Engineering : Crazy Concoction** The Junior Chemical Engineering classes introduce our youngest engineers to fundamental concepts of solids, liquids, and solutions. Students investigate the properties of several crazy concoctions and make their own samples of bubbles, play dough, flub, and more.

**Day/Time:** Mondays 3:00 to 4:15 PM

**Fall Session dates:** 9/25, 10/2, 10/9, 10/16, 10/23, 10/30

**Session Fee:** \$135 per student

**Group Limit:** Min 8 participants and Max 16 participants

Other 6 week sessions will be offered for grades 3,4,5 and 6,7,8 on a rotating basis.

Please fill out the information below and send to school.
