Student Council News

Student Council Elections will take place this week. A new structure for the Student Council leadership is being piloted in the 2017-18 school year. A Student Council Board consisting of four Eighth Grade students will be elected by the students in fourth through eighth grades. They will serve together as a unified entity. This new structure enables board members to share in different roles and responsibilities, provides broader leadership opportunities and allows the Student Council to be more involved in school and parish activities.

Speeches will take place on Thursday, September 21. Students in grades 4 to 8 will come to the MPR at 8:20am to hear the candidates. Voting will take place for the Student Council Board in the classrooms following the speeches. Students will vote using Google forms on their iPads.

On Friday, September 22, Class Representative Candidates will make speeches and voting will take place in the homeroom.

Installation of Student Council will take place after 9:00am mass on Thursday, September 28.
