Dear Parents,

St. Max will continue our after school program, CARES (Children Are Receiving Extended Services) for the 2017-18 school year. This program provides worry free supervision for our students in grades Pre K through 8 from 3:00pm to 6:00pm each school day. Mrs. Kathleen Tyndall is currently the coordinator of the program. Several teachers and staff members will offer assistance throughout the year.

The children will be in Room 102 on Monday, Wednesday, Thursday and Friday; and in room 103 on Tuesdays. These rooms are close to the play yard and allow for easy access when picking up students.

If you are interested in the CARES after school program, please download an application form, a release form and the information sheet. Complete the documents and send them into school, along with the registration fee. If you have any questions or concerns don't hesitate to call the school office.

Also this year **Morning Care** from 7:00am to 7:50am will be available at St. Max. If you are interested, please call the school office (610-399-8400) for details.

Thank you for your continued support.
Respectfully,
