

Dress Down Day to Support Lima, Peru April 20, 2018

Dear Students and Staff of St. Maximilian Kolbe,

On **April 20**, we will have a dress down day to support Lima, Peru. The elderly, children and animals are in need of food and water. Last year the country experienced a series of landslides and is having extreme difficulty in recovering. Places around the outskirts of the city as pictured on this flyer are common sites these days.

Our Spanish teacher, **Nancy Clay**, will be visiting her hometown in June to assist the community in getting food, water, and basic health screenings. If you would like to learn more about her mission, you can contact her at nclay@stmax.org

Thank you for your support and generosity to this important cause. Dress down in your gym pants and a spring shirt. Bring in your donation to support this worthy cause.
