

Plant Sale

The Seventh Grade class will be having our 7th annual plant sale to raise money to purchase needed items for our garden. The sale will be held on Monday, April 30 from 8:30-9:10 and 2:00 to 2:30 in the Science Lab.

We will be selling a variety of vegetables, annuals and perennials. If you have a garden at home we encourage you to purchase your plants from us. All plants were grown by the 7th grade class.

If you are unable to make our sale dates but would like to purchase plants you may fill in the following order form and send it in with your child. Quantities are limited so send your order in early as orders will be filled as we receive them. If you have any questions please contact Mrs. Riccardo at mriccardo@stmax.org.
