When Friends
Register,
Your Family is Rewarded!

Help us build our school with your child's friends and relatives. St. Maximilian Kolbe School is currently accepting new students. We invite you to take this opportunity to encourage a friend to take a look at St. Max. It may be the perfect fit for them.

A strong faith foundation, commitment to service and excellent academics are just a few reasons St. Max was named a National Blue Ribbon School of Excellence. Add to that an exuberant fine arts program and lots of social interaction for child and parent. St. Max is the "private school" education at the parish school price. We also have a completely private tuition assistance program for qualifying families.

Your family will receive a thank you \$100 gift card, upon the new family's registration. But the true reward will be the knowledge that you brought your friends into the greater St. Max school family.

Tell your friends to mention your name when they call and come in.
